*Notify the office if an exception to the dress code needs to be made for religious or cultural reasons.

*The Board designates the on-site Administrator to make all final decisions on the dress code.

Students that come to school out of dress code will be directed to the office. The student will be provided an opportunity to find dress code attire from the rack in the hallway. For students that require a change in socks the office will provide new ones for \$1 a pair. If no clothes can be located then the student will be asked to call a parent/guardian to bring the correct dress code attire.
