The goal is to make morning drop off and afternoon pick up run as smoothly as possible. With that we need to remind students and parents to please use the cross walk during drop off and pick up times. Our number one goal is keeping students safe. We ask that drivers be kind as well and let other drivers back out if they are trying to exit a parking spot. If you are picking up more than one student, please do not block the middle of the driveway as we need to keep traffic flowing to prevent backups.

Thank you to everyone for the amazing past few weeks. Enjoy the cool weekend and have some cider and donuts as we welcome fall.

The goal is to make morning drop off and afternoon pick up run as smoothly as possible. With that we need to remind students and parents to please use the cross walk during drop off and pick up times. Our number one goal is keeping students safe. We ask that drivers be kind as well and let other drivers back out if they are trying to exit a parking spot. If you are picking up more than one student, please do not block the middle of the driveway as we need to keep traffic flowing to prevent backups.

Thank you to everyone for the amazing past few weeks. Enjoy the cool weekend and have some cider and donuts as we welcome fall.

The goal is to make morning drop off and afternoon pick up run as smoothly as possible. With that we need to remind students and parents to please use the cross walk during drop off and pick up times. Our number one goal is keeping students safe. We ask that drivers be kind as well and let other drivers back out if they are trying to exit a parking spot. If you are picking up more than one student, please do not block the middle of the driveway as we need to keep traffic flowing to prevent backups.

Thank you to everyone for the amazing past few weeks. Enjoy the cool weekend and have some cider and donuts as we welcome fall.

The goal is to make morning drop off and afternoon pick up run as smoothly as possible. With that we need to remind students and parents to please use the cross walk during drop off and pick up times. Our number one goal is keeping students safe. We ask that drivers be kind as well and let other drivers back out if they are trying to exit a parking spot. If you are picking up more than one student, please do not block the middle of the driveway as we need to keep traffic flowing to prevent backups.

Thank you to everyone for the amazing past few weeks. Enjoy the cool weekend and have some cider and donuts as we welcome fall.
